Subject: Tennis Funding

Attn. Mayor Nystrom and City Council Members,

As Norwich residents, we Frank & Doreen Fratoni, were hoping for stronger budget funding for the reconstruction of the Armstrong Tennis Courts and tennis in general in the City of Norwich.

We appreciate your efforts towards the tennis community in Norwich.

Thank you, Frank & Doreen Fratoni

Mayor Nystrom and Council Members,

My wife and I are riding to implore you to consider increasing funding for restoration of the tennis courts at the Mohegan Park recreation area. We have missed using these courts which were a regular part of our activities here in Norwich. If we don't maintain any of the wonderful things that we have here, we eventually lose them all. This makes Norwich less attractive and only contributes to decrease property values and increase taxes. As a long time taxpayer and business owner here in Norwich, we ask you to do the right thing to maintain one of the truly nice features we have here in town.

Sincerely,

David and Eileen Kalla

Please consider additional funding for tennis court improvements.
Norwich was once and can be again a leader in tennis for its citizens.
Tennis generates people visiting our city and spending money on food and drinks.
It can also be considered drug prevention, as sports builds positive youth development.
Thanks Liz MacAdie

I am requesting your support of the investment in the Tennis Courts in Norwich. We have used the courts for 8 years providing free tennis lessons and rackets under the auspices of the Laura B. Seder tennis camp. Our family has grown up playing in these courts and there is not much left in Norwich in the absence of the YMCA. Please support the renovation of the courts and know that we will continue to support recreation on our community . Thank you for your anticipated support !

Regards,

Lori & Bart Sayet

Subject: Tennis courts

I want to express my support for funding the replacement of the Armstrong clay tennis courts in Norwich. To me the citizens of Norwich deserve a decent place to play tennis. It is a quality of life issue in Norwich. Besides the fact it is becoming an eye sore to drive by the clay tennis courts and see them full of weeds and grass. Let's honor the Legacy of Steve Armstrong and give Norwich the tennis courts it deserves.

Thank You

Paul Zinewicz
