

**CITY OF NORWICH
DEPARTMENT OF PUBLIC WORKS
APPLICATION FOR A DRIVEWAY APRON PERMIT**

Applicant Name: _____

Address: _____

Phone Number: _____

Location of Work: _____

Have you filed for a Zoning Permit Application in connection with this work?

Yes _____

No _____

1. Attach a drawing showing the location of the proposed driveway on the property. Drawings should show distances to the property line, house, garage and/or other landmarks.
2. An engineer in the Public Works Department will review your application. After this review your application will be approved or denied and recommendations for changes will be made. Upon approval of this permit, you will be given construction details for the driveway apron which shall be used in the construction of the driveway.
